Organiser's Welcome Message

Dear exhibitors and guests,

This November, the enchanting city of Kuala Lumpur, Malaysia welcomes WEPACK ASEAN 2023, an internationally renowned global packaging industry event. International organizations, government departments, industry associations, packaging industry enterprises and media will assemble at the Malaysia International Trade and Exhibition Centre (MITEC) to explore the future direction of the packaging industry in Southeast Asia. On behalf of the event organiser, RX, we'd like to extend enthusiastic congratulations to those convening at WEPACK ASEAN 2023. We warmly welcome and offer our sincerest gratitude to attending media and friends from all walks of life, especially the Malaysia External Trade Development Corporation (MATRADE), Malaysia Convention & Exhibition Bureau (MyCeb), Malaysian Investment Development Authority (MIDA), World Packaging Organization (WPO), Asian Corrugated Case Association (ACCA),

Malaysian Corrugated Carton Manufacturers' Association (MACCMA), Malaysia Printers Association (MPA), who have all provided strong support for the exhibition. Thank you all!

Our industries have already been affected by unexpected changes in this era and growing consumer populations have sparked the rapid development of Southeast Asia's packaging industry, transforming the region in to one of the world's most vibrant and promising areas of economic development. We gather here to drive innovation and address challenges in development and expansion in Southeast Asian market.

As an extension of the WEPACK Brand, WEPACK ASEAN 2023 encompasses Corrugated ASEAN 2023, FoldingCarton ASEAN 2023, DPrint ASEAN 2023, and Paper ASEAN 2023. The event is designed to leverage RCEP's international cooperative excellence, connecting global packaging industry suppliers via exhibitions, forums and site visits . This is the key platform to establish close collaboration among suppliers, buyers, industry associations and packaging enterprises to facilitate more partnership in Southeast Asia.

WEPACK ASEAN 2023 will be held concurrently with multiple international forums to discuss emerging trends that include "Future Trends in Corrugated Board Smart Manufacturing", "Future Trends in Carton and Digital Printing", "Smart Production of Paperboard and Carton", and "CMVU Machine Vision Technology Enabling Automation in Malaysia Exchange Meeting", where in-depth insights into cutting-edge technologies and development trends will be shared. Additionally, presenters will share success stories from the Asian market and around the world. The Forums will focus on different applications and solutions for machine vision technologies in automated factories. These efforts aim to facilitate collaboration and knowledge exchange along the packaging industry supply chain across different countries.

As an old saying goes, "every cloud has a silver lining". In the midst of global reform, RX will work closely with packaging industry to establish ASEAN 2023 as the key event to drive growth, development and create a brighter future for the global packaging industry.

Once again, thank you all for your attendance! We wish everyone a productive and fruitful experience at WEPACK ASEAN 2023! May you have a wonderful time in Malaysia!

Josephine Lee
Chief Operating Officer, RX Greater China

Partner's Welcome Message

A great day to everyone.

My name is Henry Low, and I'm the chairman of MACCMA.

MACCMA is an association. I will give you a short introduction.

MACCMA was established in 5th of August, 1988, with 16 founding members.

With 29 members as of today, member represents the industry to have a formal channel of communication with the government, and relevant ministries, and enhance interaction between members to improve each other's capabilities in order to cater the growing demand of the market.

For 35 years through unremitting efforts of all members, MACCMA continue to strive and will determine our future direction and success.

We are thankful and most appreciative of the cooperation that we have with Reed Exhibitions of WEPACK series exhibition.

As long term strategic partners, MACCMA is delighted to win us another packaging event.

WEPACK ASEAN will be launched in Malaysia from November 22nd to 24th, 2023.

In another step forward for the packaging industry, Southeast Asia market is playing more important role in the whole packaging world.

Moreover, Reed Exhibitions has enough experience in packaging sector since they established SinoCorrugated 22 years ago.

I believe it's going to be a wonderful opportunity to promote the Asian packaging market.

I would like to announce that MACCMA fully support WEPACK ASEAN and wish WEPACK ASEAN with a great success.

It's just a beginning, and I expect to see more latest technology and trends through WEPACK ASEAN.

Henry Low
Chairman, Malaysian Corrugated Carton Manufactures' Association (MACCMA)

General Information

Corrugated ASEAN

November 22nd-24th, 2023 | Malaysia International Trade & Exhibition Centre (Hall 2&Hall 3) Kuala Lumpur, Malaysia

Exhibitor group:

Carton box manufacturing equipment and consumables suppliers

Target visitors:

Corrugated box manufacturers

Potential visitors:

Raw paper traders, folding carton manufacturers, food packaging enterprises, terminal brand users, label and advertising express printing enterprises, and flexible packaging enterprises

Industrial chain value:

Witness the trend of the global carton industry, and catch on to the advanced carton production technology and efficiency

Folding Carton ASEAN

November 22nd-24th, 2023 | Malaysia International Trade & Exhibition Centre (Hall 2&Hall 3) Kuala Lumpur, Malaysia

Exhibitor group:

Folding carton manufacturing equipment and consumables suppliers

Target visitors:

Folding carton manufacturers

Potential visitors:

Raw paper traders, corrugated box manufacturers, food packaging enterprises, terminal brand users, label and advertising express printing enterprises, and flexible packaging enterprises

Industrial chain value:

See the advanced production process of exquisite folding carton packaging, and expand highly profitable business fields

DPrint ASEAN

November 22nd-24th, 2023 | Malaysia International Trade & Exhibition Centre (Hall 2&Hall 3) Kuala Lumpur, Malaysia

Exhibitor group:

Digital printing equipment, consumables and software suppliers

Target visitors:

Label and advertising express printing enterprises

Potential visitors:

Raw paper traders, corrugated box manufacturers, folding carton manufacturers, food packaging enterprises, terminal brand users

Industrial chain value:

Cutting-edge pre-press, printing and post-press technologies provide intelligent and customized solutions

Paper ASEAN

November 22nd-24th, 2023 | Malaysia International Trade & Exhibition Centre (Hall 2&Hall 3) Kuala Lumpur, Malaysia

Exhibitor group:

Global paper enterprises + large raw paper traders + special paper processors

Target visitors:

Raw paper traders

Potential visitors:

For Asia For All
为亚洲 为世界

BRIEF INTRODUCTION

ACCA was officially registered in June 1997 in Singapore, following the initiative to form a regional association for corrugated paper/case industries across Asia as first mooted by our Founder President Mr. Philip Wong of CBMA (Singapore) in 1993. He successfully invited industry associations of Malaysia, Indonesia, Thailand, Chinese Taipei, Philippines, Hong Kong and Singapore as the Founder Members.
