Value Proposition

Driven by the practical implementation of innovation across the full packaging industry chain, WEPACK Packaging Industry Chain Innovation Awards covers four core industrial segments: materials R&D, intelligent manufacturing, product applications, and operations management. It identifies industry benchmarks through a rigorous award evaluation process, showcases innovative technologies and achievements via the exhibition platform, fosters collaborative innovation between upstream and downstream industry players, supports the commercialization of innovative technologies, and drives the green, low-carbon and high-quality upgrading of the packaging industry.

Award Categories

Annual Materials Technology Innovation Award

Recognizing technological
breakthroughs in packaging
substrates and core materi-
als.

Annual Intelligent Manufacturing and Technology Innovation Award

Recognizing innovations that advance in
equipment, process optimization, pro-
duction efficiency, and integrated
production line solutions.

Annual Packaging Innovation and Application Award

Recognizing innovative packaging
solutions with market potential,
scalable production, and flexible
manufacturing capabilities.

Annual Operations and Supply Chain Innovation Award

Recognizing outstanding achievements in operational
innovation, green manufacturing, and management
excellence across the packaging value chain.

Annual Innovative Excellence Packaging Enterprise Award

No separate application is required, and this award
recognizes leading examples of sustained investment in
innovation that advances the packaging value chain.

For Asia For All
为亚洲 为世界

协会简介 BRIEF INTRODUCTION

ACCA 于 1997 年 6 月在新加坡正式注册,其前身是 1993 年由新加坡瓦楞纸箱协会 (CBMA) 创始主席 Philip Wong 先生发起成立的亚洲地区瓦楞纸箱行业协会,并成功邀请了马来西亚、印度尼西亚、泰国、中国台北、菲律宾、中国香港和新加坡的行业协会成为创始会员。

ACCA was officially registered in June 1997 in Singapore, following the initiative to form a regional association for corrugated paper/case industries across Asia as first mooted by our Founder President Mr. Philip Wong of CBMA (Singapore) in 1993. He successfully invited industry associations of Malaysia, Indonesia, Thailand, Chinese Taipei, Philippines, Chinese Hong Kong and Singapore as the Founder Members.

PACT Alliance · Indonesia Golf Invitational

Summer Teeoff at Jakarta Bay · Connecting the Archipelago

About PACT

Connecting global packaging decisionmakers through golf

PACT (Packaging Alliance for Circular Transition) is colaunched by M.SUCCESS Media Group and RX China.
A premium annual golf & business networking community for packaging industry leaders.

With four overseas tournaments (Vietnam, Indonesia, Malaysia, Thailand), we help members build trust, connect resources, and close deals on the world's finest courses.

Indonesia Invitational

Date: 2 Wednesday, August 26, 2026

Course: Sedayu Indo Golf

*Designed by Jack Nicklaus, 18-hole championship course.
Laid out along the coastline, where sea breezes bring both challenge and scenic beauty.*

Address: Jl Marina Indah No 1, Golf Island Pantai Indah Kapuk, North Jakarta 14470, Indonesia

Eligibility: PACT members and invited guests

Core Values

Deep networking – 4.5 hours on the course beats three days at a trade show

Precise matching – pretournament business matching, oneonone meetings

Global connection – covering Southeast Asia's most promising packaging markets

Tournament Schedule

Vietnam · Hanoi	Indonesia · Jakarta	Malaysia	Thailand	China · Shanghai
May 12, Long Bien Golf Course	August 26, Sedayu Indo Golf	November 2026	December 2026	April 2027, Concurrent with the WEPACK
